SCHOLARSHIP APPLICATION INSTRUCTIONS

The applicant must be a full-time resident of the City of New Castle. If the applicant is a dependent, the parent or guardian must also be a full-time resident of the City of New Castle. A mailing address of New Castle or zip code of 19720 does not necessarily signify a City of New Castle residency.

Applications are available on the website listed above or from the Trustees office at 807 Frenchtown Road. Applications must be completed and received by the Trustees office on or before **JANUARY 2, 2025**. If you have any questions about the application process or about residency in the City of New Castle, please call (302) 322-2809, ext.1 or email office@trusteesncc.org.

An applicant must be a senior in high school or high school graduate who is entering or attending an accredited undergraduate college or university as a full-time student in the upcoming semester. The student must maintain a 12 credit course load or equivalent for each semester to receive funds. The applicant must have a letter of acceptance from a college or university, in addition to the high school transcript. **Funded applicants from previous years who continue to be a student in good standing must reapply for grant funding each JULY.**

The amount of each scholarship is \$4,000.00 per semester provided the applicant remains a student in good standing (2.00 TERM GPA AND 2.00 CUM GPA) and continues class attendance. A bonus of \$750.00 per semester is granted if a cumulative GPA of 3.200 or higher is achieved.

Description of the Trustees of the New Castle Common Scholarship

A check for the first semester of the scholarship is sent in late July or early August. The check for the second semester is sent once the Scholarship Committee has received the official Fall transcript indicating the earned credits and grades from the first semester. This official transcript is to be received by the Trustees' office by **JANUARY 2, 2025**, or earlier if possible. All checks are sent directly to the educational institution so the accuracy of the information on the application is critical.

A new application for scholarship funding must be completed and submitted each July. Funding for additional undergraduate years is made only if eligibility requirements are met.

Please complete each of the three items:

1. The Fall Scholarship Application – new applicants must complete the application and attach a copy of a current MSC bill and a copy of their driver’s license. **Previously funded applicants must also complete the application but are exempt from the requirement of attaching a current MSC bill and a copy of their driver’s license.**
2. For High School Graduates, an original letter of acceptance from your college or university and a high school transcript must be provided.
3. Previously funded applicants must provide an **official transcript of their grades** originating from your college or university and to include the current school year or first semester.

The application, including items 1 through 3, must be received by **JANUARY 2, 2025**.

An incomplete or unsigned application will not be considered.

Once the application and attachments have been completed, please submit via one of the two available options listed below:
